The New Rexroth Login

Dear partners and customers,

No need to worry.
All our Rexroth web applications have been switched to a new login process.
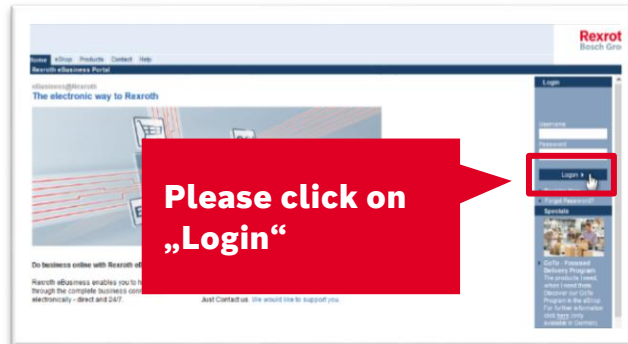

Your advantages:
- A faster, more secure and Bosch-wide uniform authentication
- No need to remember a username, just login with your email

Simply follow this manual to transfer your existing login data to the new Bosch ID!

FAQ

The Registration was successful. However, I cannot use the DC-Service
- The reason could be that you entered a different E-Mail than the one you used before. Please contact webmaster@boschrexroth.com

Registration was not possible
- If you get a fail like „E-Mail already registered", then you already have a Bosch-ID and can right away login. If you don't know your password please click on "Forgot password" and follow the instructions there.
- Also please keep in mind that the password must fulfil the following rules:
  - At least 1 digit
  - At least 1 special character (!§§$%&/( )=?[ ]{ })
  - At least 1 upper-case character
  - At least 10 characters long

Please note that this manual is only for our existing partners and customers. If you are a Bosch employee you don't need to follow these steps.
